

# DATA SHEET

## soni PICTURE

- ▶ **soni PICTURE** is a sound-absorbing wall poster. This effect is ensured by a melamine foam that is invisible because inserted in a wooden tenter frame behind the printed surface fabric. The art motif extends around the edges of **soni PICTURE** for an attractive look.
- ▶ Our acoustic pictures help improve acoustic conditions and, at the same time, add an attractive design element to any type of room. **soni PICTURE** helps reduce background noise and minimizes echo effects, creating a quieter and hence more enjoyable environment.
